Survival Wearables
There are many kids in the world who never get the chance to go camping. In this workshop, you’ll work with Real Hope for Haiti to help clothe boys and girls around the world! Make a difference every day!

The Wilderness Challenge
Do you have what it takes? Come experience the wilderness and try your best to overcome challenging physical and mental obstacles. This is a great workshop which you can take back and do with your own club.

Exploring the Forest of 4-H
Discover all of the opportunities 4-H has to offer. The possibilities in 4-H are endless. 4-H offers opportunities in science, agriculture, and citizenship in a positive environment where you get guidance from adult mentors and are encouraged to be a leader. Explore the forest of 4-H.

Crafty ‘Rafty’
Venture into the unknown with only a backpack as you build a raft to help you and your fellow explorers cross a ravine. This workshop allows attendees to work together and be creative to accomplish their goal!

Science Explorers
Join us to explore different area of science under the Milky Way. You'll create glow-in-the-dark elephant toothpaste, experience the effects of static electricity, and fly to the stars with your homemade rockets.
