

What is

JUNETEENTH?

Freedom Day • African American Independence Day • Jubilee Day

Juneteenth is a...

Time for celebration

This celebration marks a day in 1865 when enslaved Texans learned they'd be free—two months after Robert E. Lee surrendered and ended the Civil War and two and a half years after President Abraham Lincoln issued the Emancipation Proclamation.

Time to reflect on our past

Juneteenth is more than an observance of freedom. It's also a time to share the experiences of those who fought—literally and figuratively—to seek true freedom for future generations.
