PROJECT GOALS

What do you want to do and learn *in this project area* during the year? Throughout the year, add and change goals. Think about who will help you and when you want to meet these goals. Be specific about what you want to learn. (Even though the examples illustrate different project areas, remember to use a different form for each main area.)

Goal	Project	Date Completed
Example: Design the electrical plan for new garage	Electricity Clover Challenge	June 15
Example: Alter dress patterns to sew costumes for school play.	Sewing & Textiles III	November 14

Goal	Project	Date Completed

PROJECT REPORT & ACCOMPLISHMENTS

Project Work Completed Provide a list of items made, animals purchased or sold, etc. If applicable, include any income or expenses pertaining to those items. Also, list any educational programs you may have attended in relationship to this project area. Examples: Canned 80 quarts of vegetables, Saved \$75; Collected 9 new rock specimens on family trip; Scouted 400 acres for insect damage, \$500 income; Attended Illini Summer Academy in Veterinary Medicine
Knowledge & Skills What did you learn in this project area? Include what you learned from mistakes as well as successes. Include the specific project with the set of skills. Examples: Visual Arts – Learned to tumble stones for jewelry making, create designs for jewelry, and establish prices for items to sell; Horse & Pony – Learned skills in helping disabled students to ride, patience in working with younger children, drill team exercises

Leadership List any committees you served on or any leadership activities you did in this project area. Include the number of people you helped. Examples: Clothing & Textiles – taught members to model their garments (C, 26), designed county fashion revue backdrop, served as project assistant at State Fair for Fashion Revue (S, 150); Taught Public Presentations workshop at Jr. Leadership Conference (S, 75); Big Brother to new 4-H'ers in Woodworking project (6)
Community Service & Citizenship What did you do in this project area to help others? Examples: Organized 150 4-H'ers for county walk-a-thon to raise money for local food pantry; Collected donations of fabric for club to sew caps for cancer patients; Took care of neighbor's 75 cattle while in hospital
